## FOR IMMEDIATE RELEASE

### SOCIETY OF PUBLICATION DESIGNERS ANNOUNCES 46th ANNUAL AWARDS FINALISTS

The Society of Publication Designers is pleased to announce the Medal Finalists from our 46th Annual Magazine Design Competition held this past January. Now in its 46th year, the SPD Competition yields only the highest examples of design, photography and illustration excellence in both print and digital platforms, and the SPD Annual is an invaluable resource for editors, art directors, designers, photographers and typographers worldwide. PUB 46 is guided by Chairpersons **Andrea Dunham**, Design Director of *People* and **Brandon Kavulla**, formerly Design Director at *Men's Health* and the new Creative Director at *WIRED*, with Magazine of the Year Chair **Luke Hayman**, Partner at Pentagram and Digital Co-Chairs **Josh Klenert**, Creative Director, Clear Channel Digital and **Jeremy LaCroix**, Creative Director, CBS Interactive. A total of 42 editorial creatives from the print and digital worlds adjudicated 6,000 entries in over 40 Print categories and a record number of Digital entries (triple the previous year) in over 30 categories to include the debut of editorial iPad apps, selecting only the best work to be presented in the Society's PUB 46, our annual compendium of the best editorial design from the past year.

Included in this announcement are the top finalists from each major category, along with the top finalists for the Magazine of the Year Award, the highest honor SPD grants as part of the Annual Competition.
